9.2 **Duties:** The Disposal Agent shall:

9.2.1 on any date (the "**Solicitation Date**") on which the Issuer becomes obliged under the Conditions or the Swap Agreement to sell the Affected Collateral, use its reasonable endeavours to solicit:

- (i) offers from third parties (which, for the avoidance of doubt, may not include itself but may include an offer from the issuer of the Collateral to redeem the Collateral) ("**Offerors**") to purchase (or, in the case of an offer from the issuer of the Collateral, to redeem) the Affected Collateral for settlement on a date no later than 5 Business Days after the Solicitation Date (the "**Disposal Date**"); and
- (ii) quotations from such Offerors of the price at which each would be prepared to purchase (or, as the case may be, redeem) the Affected Collateral on such terms;

9.2.2 as the Issuer's agent, arrange the sale of the Affected Collateral on the Issuer's behalf (the "**Sale**") for settlement on the Disposal Date to the Offeror which made the highest offer to purchase it (the "**Purchaser**"). The Issuer hereby authorises the Disposal Agent to give settlement instructions to the Custodian in connection with such Sale; and

9.2.3 as the Issuer's agent, arrange the transfer of the Affected Collateral on the Issuer's behalf (the "**Transfer**") for settlement on the Disposal Date to the Purchaser. The Issuer hereby authorises the Disposal Agent to give settlement instructions to the Custodian in connection with such Transfer.

If the Disposal Agent fails to take any action that it is required to take pursuant to this Deed, it shall forthwith notify the Issuer, Fitch, the Trustee and the Issuing and Paying Agent in writing.

For the avoidance of doubt, in the event that the Offeror which makes the highest offer is the issuer of the Collateral in respect of an offer to redeem the Collateral, an offer from the issuer of the Collateral to redeem the Collateral will, for the purposes of this provision, be deemed to be a Sale and the issuer of the Collateral will be deemed to be the Purchaser.

9.3 **Dealings in Collateral:** The Custodian may:

9.3.1 accept settlement instructions from the Disposal Agent in connection with the Sale or the Transfer;

9.3.2 upon the instruction of the Disposal Agent, accept delivery of the purchase moneys (if any) for the Affected Collateral from the Purchaser. Clause 15.8 of the Agency Agreement shall apply to such purchase moneys in payment to the Swap Counterparty in accordance with the terms of the Swap Agreement; and

- 9.3.3 deliver the Affected Collateral to, or for the account of, the recipient specified in the instruction of the Disposal Agent against, in the case of the sale of the Affected Collateral, such receipt of the purchase moneys.

The Swap Counterparty hereby agrees that, if an Event of Default (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the Defaulting Party (as defined in the ISDA Master Agreement) or if a Tax Event (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the sole Affected Party (as defined in the ISDA Master Agreement) and Unwind Costs are payable by the Issuer to the Swap Counterparty, the Issuer shall apply the net proceeds from the sale or redemption of the Collateral (1) first in redeeming the Notes in an amount as set out in the Conditions and (2) thereafter, in payment of such Unwind Costs to the Swap Counterparty.

9.4 General: In acting under this Deed, the Disposal Agent:

- 9.4.1 may take such steps as it considers appropriate in order to effect an orderly sale of the Affected Collateral but may not delay arrangements of the sale beyond the Disposal Date in the hope of achieving a higher price and will not be liable to the Issuer or any party hereto merely because a higher price could have been obtained had the sale been delayed;
- 9.4.2 shall not be liable for any costs, charges, losses, damages, liabilities or expenses ("Losses") arising from or connected with the sale or from any act or omission in relation to the Affected Collateral or otherwise unless such Losses are caused by its own fraud, negligence, misconduct or wilful default;
- 9.4.3 shall not have any obligations towards or relationship of agency or trust with the Noteholders;
- 9.4.4 may consult on any legal matter any legal adviser selected by it, who may be an employee of or adviser to the Issuer, and it shall not be liable in respect of anything done or omitted to be done relating to that matter in good faith in accordance with that adviser's opinion;
- 9.4.5 shall not be liable in respect of anything done or suffered by it in reliance on a document it reasonably believed to be genuine and to have been signed by the proper parties or on information to which it should properly have regard and which it reasonably believed to be genuine and to have been originated by the proper parties; and
- 9.4.6 may acquire, hold or dispose of any Notes or other security (or any interest therein) of the Issuer or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depository, trustee or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Disposal Agent were not the Disposal Agent, and need not account for any profit.

9.5 Changes In Disposal Agent

- 9.5.1 The Disposal Agent may resign its appointment hereunder at any time by giving prior written notice to the Issuer (which notice shall not expire less than 30 days before or after the Disposal Date). If the Disposal Agent is unable or unwilling or otherwise fails to act, the Issuer shall immediately appoint a leading bank or investment banking firm

to act as its successor. Resignation by the Disposal Agent shall not take effect, nor may the Disposal Agent be removed (save as set out herein), until the Issuer has appointed a replacement disposal agent upon substantially the same terms. The Issuer agrees with the Disposal Agent that if, 10 days before the expiry of any notice under this Clause, the Issuer has not appointed a replacement disposal agent, the Disposal Agent shall be entitled, on behalf of the Issuer, to appoint a disposal agent in its place meeting the requirements set out above to which the Issuer shall have no reasonable objection.

- 9.5.2 The Issuer may forthwith terminate the appointment of the Disposal Agent if (i) at any time the Disposal Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver, administrator or other similar official of all or any substantial part of its property or admits in writing its inability to pay or to meet its debts as they mature or suspends payment thereof, or if a resolution is passed or an order made for its winding-up or dissolution, or if a receiver, administrator or other similar official of itself or all or any substantial part of its property is appointed, or if an order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency laws, or if any public officer takes charge or control of it or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or (ii) it fails duly to perform any act required to be performed by it under this Deed and the Issuer gives it notice that it intends to appoint a replacement disposal agent.
- 9.5.3 In accordance with the Conditions the Issuer shall give the Noteholders, the Trustee, Fitch and the Issuing and Paying Agent at least 30 days' notice of any such proposed resignation or termination or, where the appointment is terminated forthwith in accordance with this Clause, shall give notice as soon as possible after such termination.
- 9.5.4 Any organisation into which the Disposal Agent may be merged or converted or with which the Disposal Agent may be consolidated or which results from any merger, conversion or consolidation ("**Merger**") to which the Disposal Agent shall be a party shall, to the extent permitted by applicable law, be the successor disposal agent under this Deed without any further formality. Notice of any such Merger shall forthwith be given to the parties hereto. In addition, the Disposal Agent may transfer all of its rights and obligations to any organisation to which the Disposal Agent transfers all or substantially all of the Disposal Agent's assets and business and that assumes such obligations. Upon any such transfer and assumption of obligations, the Disposal Agent shall be relieved of and fully discharged from all obligations under this Deed, whether such obligations arose before or after such transfer and assumption.

10 Appointment of Calculation Agent

- 10.1 The Issuer hereby appoints the Calculation Agent to act as calculation agent for the Notes on the terms of, and as if it were expressed to be a party (as Calculation Agent) to, the Agency Agreement. This appointment relates only to the Notes and not to other issues of other obligations under the Programme.
- 10.2 The Calculation Agent accepts its appointment as Calculation Agent on the terms set out herein.

- 10.3** The Trustee consents to the appointment of the Calculation Agent as Calculation Agent relating to the Notes.
- 10.4** Each Noteholder and the Issuing and Paying Agent may request that the Calculation Agent shall, as soon as practicable, deliver to or to the order of such Noteholder or the Issuing and Paying Agent, as the case may be, reasonable information as to the manner of, and the bases and assumptions upon which, amounts have been calculated pursuant to the Conditions.
- 10.5** Upon notification from the Custodian that there has been a material amendment to the terms and conditions of the Collateral, the Calculation Agent will notify Fitch of such material amendment.

11 Notices

All notices to be given in connection with the Notes shall be given or made by facsimile transmission or letter (by first class post) and shall be deemed to be delivered on receipt (when delivered in person), upon transmission (when made by facsimile transmission) and seven business days after the date of posting (if posted by first class post). The relevant addresses for notices are set out in Schedule 1.

12 Contracts (Rights of Third Parties) Act 1999

A person who is not party to this Deed has no right, whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise, to enforce any term of this Deed except that and to the extent (if any) that this Deed expressly provides for that Act to apply to any of its terms.

13 Governing Law and Jurisdiction

- 13.1 Governing Law:** This Deed shall be governed by and construed in accordance with English law.
- 13.2 Jurisdiction:** The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Deed, the Principal Trust Deed or the Notes and accordingly any legal action or proceedings arising out of or in connection with this Deed, the Principal Trust Deed or the Notes ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection on the ground that the Proceedings have been brought in an inconvenient forum. This submission is for the benefit of each of the other parties to this Deed and the holders of Notes, and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- 13.3 Service of Process:** The Issuer irrevocably appoints Lehman Brothers International (Europe) of 25 Bank Street, London E14 5LE to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason its process agent ceases to be able to act as such or no longer has an address in England, the Issuer irrevocably agrees to appoint a substitute process agent acceptable to the parties hereto, and to deliver to the parties hereto a copy of the new agent's acceptance of that appointment, within 30 days. Nothing shall affect the right to serve process in any other manner permitted by law.
